

Consent is:

For the purpose of this process consent must be freely and actively given through mutually understood terms of actions. A person is deemed incapable of giving consent when the person is a minor, is coerced, physically helpless, under the influence of alcohol or drugs to the point of being unable to make a rational decision, unconscious or asleep.

Where to report: University Police Department, Student Engagement and Success, Title IX Coordinator (located in Employee Development and Compliance Services)

Resource: University Counseling Center, University Health Center, Rape, Abuse, & Incest National Network (RAINN)
